## **Michael L. Foster & Associates, Inc. welcomes new engineer, expands administrative department**

Michael L. Foster & Associates, Inc. (MLFA), an Alaskan owned and operated multi-disciplined architecture and engineering firm, welcomes Project Engineer Cheryl Benson, to the firm's civil and architectural design group. Benson has more than 25 years of professional experience and specializes in civil and environmental engineering, design and surveying. Mark McDonald, Amber Wolf and Shannon Post have joined MLFA's administrative department. McDonald serves as MLFA's IT Manager and has more than 24 years of experience in software engineering and computer networking and systems. Wolf provides word processing and has more than five years of experience in administrative assistance. Post has an Associate's Degree in Computer Information Office Systems and serves MLFA as a receptionist.
